“ Perry was the second most important man in my life second only to my father. He was so inspirational in my career. I try everyday to model my leadership style after his. He was my mentor and my friend I have learned so much from him over the years. I'm praying for the family and friends. My heart is hurting so bad from this but I know he's with our Lord now. Perry I could never thank you enough for all you have done for me. Thank you for guiding me in my career. Thank you for being my friend I will truly miss you. God please bring some comfort to his family during these hard days. Rest in Peace my mentor my friend.

“ Perry hired me from Florida to come work for him at Simos, then hired me at Innotrac. I hope each one of you are surrounded with love by Christ during this time. Perry was so kind hearted and loved to laugh when I was around him. It is with great sadness but in the same token we all know that he has been called to God's Kingdom where he will await all of you one day with open arms. He was an extraordinary man with many talents as a World class mentor, teacher and friend in the short time Sheryl and I knew him. His smile when you saw him captured everyone's attention when he walked in the room. Our prayers are with the entire family. God bless .
