“ Kevin was one of my English students when he was a high school students. I liked him very much and we enjoyed our teacher-student relationship unusually well. He was a smart, creative student, but did not like academic attention. His children's mother is a cousin to my husband so I have kept up with him through the years and now we attend church with his mother and Tommy so I knew that Kevin had some health issues. You all are in our prayers. Children and his entire family, "God's grace is sufficient to meet our needs," and may He give you peace and acceptance. Judy and Terry Pounders, Russellville, AL

“ I do not quite remember how Kevin and me connected. But once we did, we started sharing our thoughts about his late father, and how I mentioned to him that it was not his job to defend his dad. That job belonged to God. From then on we would email each other occasionally and he took the time to send me professionally made CD of his dad's singing and 2 home made CD's ones. He told me he had started his own way of being a servant of God, reaching out to those that never go to church. I told him I wanted to meet him and was planning to go this year but it didn't work out. I have been in the Memphis area many times. My plans changed to go August - 2017. Then to find out of his passing came as a shock to me. I pray that God's wonderful peace over shadow all his family. I have personally lost a brother, sisters, my parents and my wife and realize how difficult it can be. But only prayer will take us through the pain of death, only God can soothe our broken hearts. My prayers go out to all of you. Alvin Thompson - Fairford Manitoba - Canada.

“ Kalyan, Carey and Brad I hope you remember your Courtland neighbors SuSu, Larry, Scott and Richie aka ReRe. Our hearts are broken to learn of Kevin's young death 💔 I have tried for a number of years to find each of you on social media with no luck. My wish is that you would contact me @ susu1024@att.net or Susan Green Williams on facebook.

Wife and children I never got to know any of you but your Dad, Grandmother, Grandfather and Uncles were our neighbors when serving at Courtland Baptist Church in Courtland, Al.

Wonderful wonderful memories we have with The Cook family! Loved your Dad and rest of family dearly and we are all still in shock. My deepest sympathies go out to ALL of you. All my love to you all

“ Nick, Natalie, Nicole and the rest of Kevin's family,
I am saddened and shocked to hear of Kevin's passing. We spoke just a few days ago and he was telling me how proud he was of you all and of your recent engagements. Your dad saw potential in me that I did not see in myself during our years at Spirco. He pushed me to do a job I was not qualified for and when given the opportunity he encouraged me every step of the way. I will be forever grateful for the friendship we had and his belief in me. I pray God's comfort and peace beyond understanding during the difficult days, weeks and months ahead.
