“ I have lots memories of Richard and I having laughs and good times. Grilling burgers and throwing Frisbee, listening to George Strait or Kenny Chesney (two of his favorites, I think). Talking about music, talking about God. Maybe watch a TV show, or go for a milkshake.

I remember the first time I met him was at Rocky's arcade in Horn Lake, playing foosball I think. That was when we were teenagers, and somehow we stayed good friends through the years.

Times like this are always difficult, but we should reflect on the good memories, knowing he is in the hands of God and we will see him again.

“ Mr. Richard, Ms. Sandra & Ashly... I am so sorry for your loss... My thoughts go way back to when Ashly & I first met in Jr. High... I can remember when I first spent the night with Ashly and met the boys... Richie always was so nice to me... he always seemed like the sweetest brother... you know I was the baby so I didn't have any little brothers or sisters... Richie always did what Ashly told him to do... and left us alone but he liked it when we included him in things.. Right now I do not have the words to say to make things better but I can say that i know that Richie loved you guys to no end...and he knew that you guys loved him... I know that in the days to come that memories will flood your mind and I can only hope that they bring you comfort...please know that I am thinking of you guys and pray that God may give you a peace to get through this time... I love each of you and your family will be in my prayers in the days to come... Love, Cheryl McGowen & Family
