Momma,

I am going to miss you so much. Spending the past month with you every single day was a great pleasure. I miss our talks and laughs. Watching Yellowstone on Sunday nights will never be the same without you here. Tomorrow will most definitely be the hardest day of my life. You're not suffering anymore and you're with maw maw and paw paw. I just wish this pain would go away. I still sit on your bed thinking about you and I can still smell your scent. I will cherish everything about you for the rest of my life.

I love you more than words,

Stephanie
