*“ I was just starting to reconnect with Sissy and her sister, Martha in the last few months. I am so glad that I visited with her, Martha and Mark a couple of weeks ago. I'll always cherish that memory of Sissy laughing, talking and reminiscing about family. I will sadly miss her.*

“ When my best friend Sharon mett's called me and told me that an angel was sent to heaven I dropped to my knees, It's never easy losing the people we love so much. I remember my first time over 15 years ago to Mississippi it was such a blessing meeting you and helping you pick all your green beans in your garden lol It's the simple things in life that can make you love somebody. I promise I will always make sure Sharon and both your grandchildren Virginia and Skyler will always be taking care of ❤️. I'm going to do my best not to be sad but to celebrate your life. Love you always. 🐝☐
