“ I met Bobby last summer and he quickly became a huge part of my life. We had many really great conversations about life experiences, overcoming obstacles, spirituality, business skills and much more. Although I often told him he was stubborn as a mule... I will miss him and I am grateful for the time I was able to spend with him. Much love goes out to Carolyn and the rest of Bobby's family.

“ Bobby had been the love of my life for the pass 4 years. Not only was I his girlfriend but a special soul mate. We studied the Bible, prayed together, laugh how he didn't like school and was a cut-up but now his best friend was a teacher and he learned what scrapbooking was all about. We survived the quarantine and pandemic together. Good bye special guy and much love to you. Our faith knows that you are with Jesus.
