“ A memory of Wesley Salmon:

On December 16, 1957, (my family having arrived at Ole Miss from Washington DC the night before) I began Mrs. Waits' 6th grade class at Oxford Grammar School for one week before we got out for Christmas break. Wesley Salmon was one of my first friends that school year. We hung out a lot on the school yard. Even though I hadn't seen him since high school days (except maybe around town during my Ole Miss years 1964-1969, before I graduated and went into the Navy) I still think a lot of him.
