Dear Vince and Rene,  
My name is Donna and I was a friend of Ron Detillo, his Mom and Sister. I'm trying to find out what happened to Ron, that caused his death. If you can help me I would really appreciate it. His Mom Lois has passed away and Karen his sister has moved out of state and I'm having trouble locating her. Any info would mean so much. Thank you!

“ Ron was my biological father. While we did not have a good relationship, I am sorry to find out about his passing and that we never got to reconcile. RIP

“ I met Ron in 1997 when we both attended a class at the FAA Academy. Ron always had a smile that reminded me of his generosity towards people, young or old. My memory is that Ron was always busy doing something. We have lost a really good man.
