“ I went to visit Sunbelt years ago to see Jack Robuck because he was the director of the children's home I was raised in Georgia. I sat in on the board meeting that Ron was in. To my surprise at the end of the board meeting Jack asked if there was additional business and Ron nominated me to be on the board. He gave the Look and you all know what that Look is. You cant say no to Ron when he looks at you like that, so there I was a new member of the board. It was a priviledge to know. A good friend. Sorry I missed the funeral, I was in Virginia helping a friend work on her 1880 house.
