I am so grateful to God for giving Ronnie such a compassionate wife to be with him during his long illness. Helen, I am certain you will receive your reward in heaven, however, I want to say thank you personally for your concern and care. Ronnie was part of what we called ourselves growing up together on Sixth Street as THE SENSATIONAL SIX. Ronnie was the cool one with such an infectious laugh. I will miss our phone calls. I will always remember when he told me his smart phone was smarter than he was. I will miss you, but I know you are in a better place. Family remember this-- For the Lamb at the center of the throne will be their shepherd, He will lead them to springs of living water. And God will wipe away every tear from their eyes. *To God be the glory for he has brought another one of his children home. Ronnie was a brother to us and we loved him very much. He was also curious about how things were put together so he would take them apart. Unfortunately, it would not work again after he reassembled it (Smile). Ronnie loved music and used to play the drums in a band during high school at Immaculate Conception (I.C). The Sensational Six kids would laugh, sing and dance at home and have our own parties. Ronnie and Mildred used to dance together because they were both left handed and had the same funny rhythm. Other times we danced with the mop and broom and used spoons and knives as our microphones. At Christmas we would sneak around looking for our toys, sometimes we found them sometimes we got caught by aunt Bobbie Jean. Many times we fought but the love we shared never kept us angry. I will miss visiting both you and Helen in Oxford in route to Clarksdale. His only request was to stop at KFC and bring him an original meal which consisted of a breast, wing, cole slaw and mashed potatoes. We ate and watched westerns as we reminisced on childhood events. Ronnie is gone but he is UNFORGETTABLE!!!!*

*While I know your passing has created a void in the hearts of so many, I'm happy to know that you are now in a better place. I never had the opportunity to visit you after the onset of your illness, but that will allow me to always remember you as you were the last time I saw you at our family reunion in Atlanta. I will always remember the fun we all had together, the jokes we told, and the good food we ate. Love you cuz and may you rest in eternal peace.*

“ *Ronnie was my nephew and friend, over the years we kept in touch and always rehashed the favorite times we shared. Our most favorite time was when he drove his mom and my mom to California to visit me and other family members. We would laugh so hard about an incident that occur at the drugstore that reminded us of a commercial character named, Vern, it would take minutes for us to control the laughter only for the laughter to start again. Ronnie was a true character himself and always could make me laugh about something. Ronnie, I truly will miss you and laughing with you. May your soul rest in peace, give my love to all our family members you see in heaven when you get there, I loved you very much.*
