“ *During the past 10 plus years Mr. Roy and Johnny would take their regular Saturday trip to Calhoun County to hunt wild hogs or to go fishing. We have a book of beautiful pictures that he drew over the years as well as several pieces of furniture that he either built or refurnished for us. If you ever said that you needed a table or chair in front of Mr. Roy, he would have one built for you to look at the following week!*

Our thoughts and prayers are with each family member as you go through this difficult time.

Love you Mr. Roy. You will be missed.
