“ *Michael and I were so very blessed to call Rupert our friend. Our girls brought us together and we have many beautiful memories watching them grow, marry and starting their families. Rupert loved the Lord, his family and friends. His five grandsons were his pride and joy. His passing from his temporary home is such a shock. May our faith carry us, knowing he is whole and enjoying the glory of his heavenly home. Love to Sandra, Heather, Trip, Jennifer and Nathan.*

“ I'm rejoicing that Rupert is free and praising fully in the presence of our Lord Jesus. My sweet memory of him was at his 1st DGC Retreat and I was blessed to receive my little slip of paper with his name on it then followed through in praying for him the next 30 days & have often prayed since every time I run across said slip of paper, still have it those many years later.

*Sandra, love you my friend & praying you experience the calm & peace that only Jesus can give.*

“ I'll never forget the good times with Rupert when we were young. He had an SS 396 Chevelle. We spent many an hour driving around the Bruce square and on the surrounding roads. Drag racing - you know we would never have done that! Rest in peace, Rupert. I love you, brother.

Sandra - I am so sorry. Please know that my thoughts and prayers are with you and I believe God will give you peace and comfort in this most trying of times.

“ Sandra, I am so sorry to hear about Rubert. There are no words that anyone can say that will make the grief any easier for you and your family. But I can say that I know what you are going thru right now and what you will continue to feel in the coming weeks and more. If you need to talk, just give me a call. I wish it was where I could come down for the funeral, but do know that ya'll are in my thoughts and prayers.

*Also I wanted to tell Margie that she is in my thoughts and prayers too.*
