“ Russell, you will forever be in my heart. The memories of all the fun and laughter we had in our youth is always cherished. You were my sunshine on a cloudy day. I will miss the unexpected chats we had but I will talk with you still. You are now in the arms of Christ and in the presence of your loved ones. May the nights be filled with your music and light!!

“ *Dear Buchholz Family,*

Although I knew Russ only for a year, twice I had the pleasure of having coffee with him at his lovely home on the hill. Russ had great stories that were always filled with humor, empathy, and kindness. I will miss having him as our neighbor.

We pray for healing for the family and give thanks for the time we had with Russ.
