“ My prayers and deepest sympathy go to the family, friends and loved ones of Sam.
I met him in California when he came to visit with Sarah. Such a nice young man. We poured over my genealogy and found a Samples in Kentucky. Such a loss for all who knew and loved him. May he rest in peace in God's hands.

Sara & Kenny you have treated me like family when I have been around you. I am deeply sorrowful for your loss and for Sam's loss. I did not know the man. He may have been around when I was around. But I do know somethings about life, and life is good. Sam's life was good. Your lives are good. Since you have treated me like family it will be an honor to treat you like family. Anywhere anytime, Sara, you know my number, call me I'll be there!!!

Sara, I haven't seen you in so many years, but the memories I have of our time together when I was a kid are sweet and precious to me. I remember Matt and Sam as little boys who were so fun to be with. I'm so, so sad about Sam's death and hurt for you. If you are ever interested in reconnecting, in helping me piece together my own family history, I would love to hear from you. My email is tammy.linseisen@gmail.com. With love, Tammy Broome Linseisen
