“ So sad to hear about Sammy. He made everyone that stopped by his shop feel welcome . He didn't care who you were or what you had he treated you like you were friends for years . I always left there feeling happy after laughing with him and Carolyn, I know she will be lost without him .... He told me the story of how he always said to his kids and daughters in laws “a bushel and a peck” because he wanted them to know how much he loved them, and, it showed in the stories he told . The community has lost a very talented wonderful man . My thoughts and prayers are with your family, I'm truly sorry for your loss.
