“ We had a lot of fun times together. Too many to name but she was a wonderful sister/friend to me and was always there if need be, She loved life. She loved fishing and we would go for hours and it didn't matter that we never caught a fish, we just enjoyed our time together. And our Tupelo trips were awesome but that's another story for another day. I loved Sandy and my heart breaks bc she is not here anymore.. I will always remember the good times we had. Love and light, Terri
