“ Sandra we have been neighbors for a long time. You are missed greatly. I remember every time I brought a new grand baby home you couldn't wait to see them and hold them. We spent a lot of great times together. I know you were having some problems the last few months here. You are now an 😊 in heaven. I could only imagine you rejoicing with your parents. Rest In Peace until we meet again! Love you! ❤️

“ We realized we were cousins when we saw each other at a family reunion when we were teens. Northwest paired us up as roomies in college. She was in Cosmology and always knew how to do hair beautifully. She was an amazingly sweet person.. She was so independent and knew what she wanted. I barely knew her Dad, but her Mom was a jewel, so I can see where Sandra got her sweet personality! We've been having birthday parties 🎂 for years, now she is celebrating in heaven. For her first marriage on Oct 28,2019 we gave her a big shower like we all had in the 70's. She was a happy bride! Then this past year with Covid we haven't gotten together. She would text and talk a minute on the phone. We had so many more plans together together. She had been in and out of the hospital so much last year. I love 💕 and miss her but I know she is no longer in all the pain she has been in. Being on dialysis a year I know was rough on her. Remembering the good times and know that someday I will see her again.
