

Dr. Shellie Vernon Mitchell

October 22, 1965 - April 27, 2019

Coleman Funeral Home of Oxford

Dr. Shellie Vernon Mitchell, 53, passed away Saturday, April 27, 2019, at his home in Oxford, MS. There are no services planned at this time. A memorial dinner will be held at a later date. Coleman Funeral Home of Oxford is in charge of arrangements.

Dr. Mitchell was born in Louisville, MS. He worked to receive his M.D. from the University of Tennessee. Dr. Mitchell was also board certified in the American Medical Association and a member of New Jerusalem Church in Shuqualak, MS. He was a man of many talents. Dr. Mitchell was known to be an expert cook. He was always eager to learn something new, especially if it was dealing with Science. Dr. Mitchell also enjoyed watching football, especially the New Orleans Saints and traveling every chance he had.

Dr. Mitchell is survived by his wife, Veronica Mitchell of Oxford; two sons, Shellie Mitchell, Jr., and Darius Mitchell, both of Oxford; his mother, Audrey Mitchell of Macon, MS; two sisters, Chaffie (Michael) Gibbs of Jackson, MS, and Carla (Ted) Edmond of Bolingbrook, IL; one brother, Kobi Mitchell of Euless, TX; and a host of nieces, nephews, and other family members.

Dr. Mitchell was preceded in death by his father, Shellie Mitchell; two

grandmothers, Hattie Scott and Essie (George) Mitchell; and two grandfathers, Vernon Scott and Enos Jackson.

Donations and memorials in honor of Dr. Shellie Vernon Mitchell may be made to the American Cancer Society (www.donate3.cancer.org).

Online condolences may be left on his Tribute Wall at www.colemanfuneralhome.com.

“Wow, I am shocked to learn of his passing. I worked with Dr. Mitchell and his wife, Veronica, during his days as a nurse. Such a kind and conscientious man. I recently thought of him and wondered what he was currently doing. This was when I learned that he did fulfill his dreams of becoming a physician and of his death.

He was a unique and caring person to his wife and his two sons.

“Dr Mitchell was the best of men. It didn't matter what level of education you achieved or where you was in life. He always treated you will respect and dignity.. He loved to help anyone he could. He was great at giving advice and he achieved so much in his medical career. He used to joke if he didn't love healing people so much that he would have opened a restaurant and enjoyed watching them eat as he cooked.. I am so proud that I got to met one of the most caring, thoughtful, and extraordinary men of our lifetime.. He will be deeply missed by all.

“Dr Mitchell will be greatly missed by all staff and patients. May the Lord give peace and comfort to his family. He was the best of the best, an excellent doctor. He was always smiling and treated everyone with respect. We loved his cooking in the er even though it always caused us to have a full house with no time to eat. We miss you Dr Mitchell but we know you are no longer in pain.

Dr Mitchell was was not only one of the finest doctors I've ever worked with but one of the finest human beings I've ever had the privilege of knowing, he was a friend to all. He was a great teacher and loved to teach you as you worked with him. He had so much compassion for people and his patients loved him as did everyone he met, he truly was one of a kind. My thoughts and prayers are with his family that he loved SO much, he will be greatly missed and never forgotten

RR

My heart is sad, but no more pain and suffering for my dear friend. Dr.Mitchell always had a smile and the love he displayed for all the ones he encountered was so real and awesome. Such a good doctor. He liked my bread pudding! He didn't eat much desserts but I won him over with bread pudding. Pontotoc ER will never be the same. I will not be the same! Our team will love and miss him forever. RIP my dear friend.

As tears flow, I am reminded how much this wonderful man made an impact on my life and the lives of many others. He always had this amazing smile. A true to the core compassion for everyone he work with and every patient he took care of. A great cook as well. May God bless his family and wrap them in love and comfort. Gone too soon. You will forever be with us. We love and miss you Dr. Mitchell.

“ I really enjoyed working with Dr. Mitchell. I always knew that our patients would receive quality care and compassion from him. Dr. Mitchell made a point to greet each one of his co-workers and treated them with the utmost respect. He was always good for a laugh and loved to catch up on everyone's lives. To the Mitchell Family, you are in our thoughts and prayers. Please know that your sorrow is felt and shared with countless nurses, lab techs, security officers, respiratory therapists, fellow physicians, clerks and an untold number of patients. He was truly a great person.

“ Please know your family is in my prayers. Dr. Mitchell was a kind, compassionate physician who loved caring for others, both patients and co-workers. He always had a big smile and a kind word for everyone. He shared his love for cooking with all of us in the ER. His time on earth was too short but his impact on this earth was great. He will be truly missed. God bless- Lee Waldrop

“ Prayers for this precious family every day. Words cannot say what a special man Dr. Mitchell was to us, his nurses, at the Pontotoc ER. He was humble, kind, and made sure we knew without a doubt that we mattered. Those traits are not attributed to every doctor by any stretch. To say he will be, and already has been, missed is an understatement. God be with the family in their time of grief. ~ Beth Hollings
