“ *Hi Les, I was heartbroken to hear about Stan. I have so many fond childhood memories of us playing together on the hillside, up in the garden, and down in the grassy valley at Big Mama and Papa Clabes. It's heartbreaking to know he was taken so soon. Please know that you and all of your family as well as his are in our families prayers. He will be sadly missed by all that knew him. May he be resting n peace with no pain n the arms of the angels! RIP STAN MY FRIEND!!!*
