“ When we went to Church together in the ‘80’s lunch after the service always meant pizza and watching football at Pizza Inn in Southaven. Good times. See you again in Heaven bro.

“ Ross is a boss! We loved Ross mucho. Always had a sense of humor, even recently when he was sick. He could play like a boss. He fathered like a boss. and just loved the Lord so deeply. He would be fun and games but when he came into the presence of the Lord, he would be serious and completely sensitive. We will miss him dearly. He will be missed dearly!

“ I met Ross when I was in the 5th grade. He got irritated at me and Kim on more than a few occasions because he was a few years older than us but laughed at us and was her protective older brother. It made me wish I had one. He loved music, even back then. Pretty sure he influenced our music genre and I'm glad he did. Lost touch with him through the years but he reached out to me through Facebook several years ago so we could catch up. He will be greatly missed but I'll see him again in Heaven.

“ I met Ross at church some years back and found out he grew up with my dad. He helped me through a dark place in coping with my father's death and I will always be grateful. We'd see each other at work a lot and get lost in talking. He was a really cool guy and he will be missed.

I met Ross at Southaven Elementary. We did the whole chasing around each other on the playground and had many lively conversations during class about music mostly. He LOVED Kiss and I Loved Conway Twitty and country. We also went to church together for a while where I met Heather. I loved seeing him and his loved ones. I'm praying for his family. 🙏
