“ Susan, I knew you to always have a smile on your face and you were always full of life. I am sorry you are no longer with us and no one will be able to see your special smile again. But I do know that you will smile above us all as you will continue to watch over your friends and family from above. You will be miss and my heart goes out to your family and friends. You will never be forgotten. May you rest in peace my friend. Donna (Carson) Martin.

“ Something I always admired about Susan was her circle of friends. It's hard to find words in times like these that express the shock, sadness, and disbelief in losing someone that I remember as young and beautiful and vibrant. I pray she is in heaven with Gregg.
