I have so many wonderful memories of the Coker family. Having Leigh as my best friend, I was in and out of their home all the time. I know that Terri wanted to strangle us many times, but she was always the sweetest and kindest person. I was always envious of Leigh having such a beautiful big sister. Never will I ever think of Terri without seeing her beautiful smile. She was the epitome of grace, beauty and love.

“ Great neighbor, great friend, long talks, fond memories...hmmmm, crew cut, cowlick, hydrogen peroxide, human guinea pig. Would not have guessed a future chemist. Kind, caring and gracious; that's how I remember Terri.

“ So sorry for the Loss of a beautiful friend.. I have so many memories of Terri, she gave me her red candy striped eye glasses when we were probably in the 3rd or 4th grade, they were prescription, lol I wanted some like them so badly so when she got new ones she gave me her old ones and I wore them with her prescription, we were both blind, so I guess it really didn't matter.. She was so sweet and had such a sweet spirit.and oh so smart... I will miss texting with her. I love you Terri Lynn
