“ My favorite memory of you is you being such a great dad! Taking care of 4 kids full time working full time and making sure we had some fun during. You made the world go round now suddenly the world seems to get off course. I miss you more than anything in the world. I hope you're looking down and watching over us and I hope we can continue to make you proud! The smartest and bravest man I know! You always made sure you did the things the right way. I hope I am more like you as the years go on. I miss you and I love you dad ❤️ Thank you for the best childhood and for all the love you gave us.

“ *Although I didn't spend enough time with you the times I did spend we're definitely memorable . All the days hours and minutes seemed like out on the boats . Stepping stone , Julie Wepfer , and John M . Warner every possible moment to get off the boat and go to town . The time in Corpus Christi Texas Well brother I'll leave that one between us . We couldn't wait to get off the boat and get dressed up in our cool era clothes with our long hair and head to the underground and see who got lucky first . I regret not being there more for you and also like to say what a great family you have that I know looked up to you with much respect as do I. Condolences to the family thoughts and prayers in this difficult time . RIP Brother*
