“ *I played baseball with Tim and his father Clyde. Both great individuals. Tim was a great ball player and was always a pleasure to have him join us on the field, even as a young man he was respectful and a joy to be around. We'll miss him.*

“ *There are so many memories I have with my brother. He always stuck up for me my whole life. He coached, motivated, and sometimes yelled at me on the ball field. He yelled at me because he knew I had more in me and to this day anything I do I do it with all I have because of him. I am going to miss you more than words can ever describe. You are truly the best big brother anybody would or could ask for. Thank you so much for always being there and making sure you told me you loved me before I left. I am missing you so much and I love you with all my heart Tim.*
