Well, I just don't where to start. The tears are already flowing. I know when I start to write about this it makes me face reality of it being true. My fingers don't want to write it and my heart doesn't want to believe it. 😭 I love you dearly and will miss you so much. You were a source of strength to so many and loved your family without a doubt. Being the first of all the grands you were their leader and oh how they loved you. You are now reunited with other loved ones in heaven's bliss. We will see you again.... Not goodbye but see you later....  
Love Aunt Nita
