“ The Apostle Paul wrote “And we believers also groan, even though we have the Holy Spirit within us as a foretaste of future glory, for we long for our bodies to be released from sin and suffering. We, too, wait with eager hope for the day when God will give us our full rights as His adopted children, including the new bodies He has promised us.”

Please know our prayers are with you.

Tonya was such a sweet young lady, I had the pleasure of working with her for 2 years. Always worried about her children wanting them to have what she could give them. She will be missed by many friends.
