“ *We were fast friends when we met in the Pagenet days. You were my bestfriend and confidant. I have not grasped that you are no longer a phone call away and/or not receiving that call you are coming into town and we will meet for dinner at our favorite Pappadeauxs. We had a friendship to stand the test of time. You always bought me the most beautiful crosses and told me they were to protect me. I wear them faithfully. I miss you so much.*

“ I was literally just talking about you today with my momma. We knew each other since we were kids at St. Monica’s Catholic Church. When you attend the University of Texas at Austin, I was right down the street at Texas State University. We were roommates briefly while you lived in Houston. You were always a kind soul and you will be dearly missed. 🙏💎👉👎🙌

Rest In Peace 🙏

“O Allah, surely Troy Francis Hunter is under Your protection, and in the rope of Your security, so save him from the trial of the grave and from the punishment of the Fire. You fulfill promises and grant rights, so forgive him and have mercy on him. Surely You are Most Forgiving, Most Merciful.” Allahumma Ameen

“ 2 Timothy 4:7-8 I have fought the good fight, I have finished the race, I have kept the faith. Now there is in store for me the crown of righteousness, which the Lord, the righteous Judge, will award to me on that day—and not only to me, but also to all who have longed for his appearing.
