“ *It has been the best 15 years having you as my mother-in-law. Welcoming me and my daughter and then grandchildren as part of your family. I could always share anything on my mind with you and you listened and gave your advise. You and dad gave me one of the greatest things in life your son. I can't thank you enough for loving him and making him the man he is. I will miss you here on earth and all our visits but I will see in Heaven one day and we will have eternity. For now mom I love you and all ready miss you.*
