“ *What can I say about Wayne Curtis? He was a family friend for more than 50 years. We not only saw him at church every week, but he also came over to our house now and then to service our heater and/or air-conditioner. After we moved away from Memphis, whenever we had trouble with our heater or AC, my Dad would often say, "I wish Wayne Curtis didn't live so far away." He really missed having a heating-and-air repairman he could trust. He was always a lot of fun to be around, and he would do anything the world for you that he could. I know he will be greatly missed, but I look forward to seeing him in heaven. I'm sure he's already been welcomed there by his many friends who preceded him. My condolences and prayers for his family.*
