“ *I never knew how much my phone rang.. until it didn't! You called me all the time, almost every day! Now my phone never rings. I miss you so much Daddy! I know you were ready to go, but I was not ready to say goodbye! I hate that I can't hear your voice. I hate I can't take you to eat. I hate that you won't be going camping with me and the kids anymore. I hate that I won't have anyone to give me away at my wedding. I hate everything about not having you here!! I'm so lost! I feel like a chunk of me is gone! I love you Daddy! You will always be in my heart! Watch over us up there! Love always your baby girl!*

Im sorry I missed. King William and me worked together in the 80's and 90's. Man Billy was a nut. Im sorry I just found this. Never seen a grown man, climb through a warehouse ceiling. 5' joice at 40' because it took to long to get a lift in there

“ I will never forget the first time Neil took me to Grunt's and Pop's, that was the first time I met Neil's little brother, Billy. I adored him, Billy had a personality like no other. There was only one Billy Hart and he will be missed by everyone that ever had the good fortune to have known him.

Your Sister-in-law, Debbie
